Addendum No. 1
Wetland Consulting Services
To provide wetland delineation.

This Addendum is being issued to provide clarification to QCV RFP 22-003. Unless specifically changed or amended by this Addendum, all other requirements, terms and conditions of the Bid Documents and any previous addenda shall remain unchanged. Bid date and time remain unchanged.

The following changes, or additions to the Bid Documents dated February 2, 2022, and due February 25, 2022, hereby become part of the RFP Bid documents.

VI. Clarification - Format for Proposal

In response to clarification questions and issues raised, the size of the submittal package requirements and professional certification requirements are changed as follows:

The proposal shall not exceed 20 pages, excluding cover sheet and any tabs or indexes.

The consultant must provide proof of professional PWS registration, in the form of a certificate or PWS registration number for any PWS or WPIT. All other requirements remain the same. Substitute language on this section:

“The proposal should be organized in accordance with the submittal requirements. The proposal should not exceed ~~(10)~~ **20 pages**, excluding the cover sheet and any tabs or indexes. One page is defined as: one side of a single 8 1/2 x 11 page, with 12-point font. The consultant must provide proof of professional **PWS or WPIT registration, in the form of a certificate or Certification number**. The consultant must also state that they have the ability to provide workers compensation and professional liability insurance. Information provided in the proposal will, to the extent allowed by law, be held in confidence and will not be revealed or discussed with competitors.
