5) Monthly Finance Report

To highlight the big three of tax income, cigarette, cannabis, and fuel tax. Cigarette is pacing below at 23%, cannabis tax pacing at 22%, and fuel tax is pacing at 34%. We did budget aggressively with both fuel and cannabis taxes. The Public Safety contracts twice a year, so our revenue over expenses will decrease as those are paid. President Fryberg asked when the last time Chief Sutter was present to the meeting, and Village Clerk Flores responds February. President Fryberg announces that a meeting needs to be scheduled with Tulalip Police to have an in-depth conversation on public safety and the return on our investment. Moving onto the Projects report, there are a couple of projects from 2022 that needed to be carried over to 2023. President Fryberg directs staff to begin working on those projects immediately and provide a progress report at our next meeting.
