Utilities

Discussion: Jereme Gobin

This project was approved to be complete back in 2019, but with the uncertainty of building it was put on hold. Then we shut down for an extended period in 2020, and now we are at a point where it's necessary to completed. We have the staff and the funds available, we are requesting to bring the funds to 2021 budget so we can get started on the preparations to complete this project this calendar year.

8) Motion made by Councilman Gobin to adopt Motion to Adopt Resolution 2021- 21 authorizing the funds transfer of \$100,000 from the 2019 Capital Projects Budget to the 2021 Capital Projects budget to design and construct a gravity sewer line for the Quil Ceda Village Administration building and the Tulalip Data Services building.
